Las Ilande Chara Colonia Com 1941 Rea Jan 11 1877 Wisconsin Natural History Society. Secretary's Office, 27 Erie Street. Milwaukee, Jan 8 1876 Dr. Groelmann, St. Louis, Mo. Dear Sir, a minorial our our lamented friend &. a. Laphan, four knowing his careel so well will Strobably find little that is new to you, but still will be interested in all relating to him and his works. I would be obliged if you would let me know how long your aggreantance with her. Lapham dates back and what estimate you place on bis botanical work. In our museum There are a large minher A plants we received from him, in fact almost all the plants that mr. Peter Engelman did not collect were donated by Dan Laphane. Mr. En gelman, I suppose you are aware, now her under the shade of our beautiful "Horest Home", where the cares of life will not disturb him, now the sound of the birds now the fragrance of our wild woods will delight him There is not one left that we young disciples of science can look up to de al leader. Hoping for The honor of the answer dremain yours very respectfully Charles Manus MISSOURI
